Terms of Service

Portland Refugee Support Group (PRSG) grants you (“You” or “User,” collectively “Users”), a non-exclusive, non-transferable, permission to display the webpages and access content hosted on the PRSG’ website (“Website”) subject to the restrictions in this Terms of Service agreement (“TOS”). This TOS is a legally binding contract between You and PRSG, governing the access and use of the services offered, and all information, content, media, content, printed materials and other electronic documentation accessible from www.pdxrsg.org, any sub-domains thereof (each of which constituting a part of the Website), regardless of whether any such materials or services are provided in a publicly-accessible or a Members-only section of the Website.

The Website is offered by PRSG to Users free of charge on the express condition that Users accept and abide by the TOS. Access and use of the Website is conditioned upon continued compliance with the TOS and use of the Website constitutes acceptance of the TOS. PRSG expressly reserves the right to change the TOS at any time by reasonable notice, including without limitation by posting revised terms on the Website (which shall constitute reasonable notice), and any such amended terms shall be binding upon Users upon posting.

Intellectual Property

All works of authorship hosted on the Website which have been generated by PRSG or on its behalf by employees, agents or contractors, including, but not limited to, any designs, text, sound recordings, images, icons, and the overall appearance of the Website or sections thereof, are the sole and exclusive property of PRSG. The posting of such works on the Website does not constitute a waiver of any of PRSG’s intellectual property or proprietary rights,

including, but not limited to, copyrights, trademarks, service marks, patents and other intellectual property or proprietary rights, or a transfer by implication, estoppel or otherwise of any such rights or of any license to Users of the Website or to any third party. The contents of the Website are protected by U.S. and foreign copyright laws, both as individual works and in some instances as collections, as well as by U.S. and foreign trademark laws. By using this Website, You agree not to utilize any copyright, trademark, proprietary or confidential information contained therein in a manner inconsistent with the TOS or in violation of any U.S. or foreign law governing the protection of intellectual property or proprietary rights.

No material from the Website may be copied, reproduced, displayed, republished, downloaded, posted, digitized, translated, modified, transmitted, distributed or commercially exploited in any way without PRSG's express consent. PRSG grants Users the right to view and print information, documents and webpages located on the Website for personal use but not for any for-profit or commercial activities, provided that: (a) any copies of the Website or sections thereof must retain any copyright, intellectual property, proprietary or other notices or disclaimers contained in the original materials, (b) Users must give attribution to PRSG and if possible provide a reference to PRSG's main website. (c) the material must be printed in its entirety without modification, reformatting, adaptation or adjustment, and (d) if the material is combined with other materials, Users must clearly designate which portion of the complete work is PRSG's material. Any User that shares the printed materials with others must advise the recipient as to the TOS and they must agree to abide by the TOS. Failure to comply with these conditions will immediately terminate this permission and may result in the infringement or violation of copyrights, trademarks or other proprietary rights owned by PRSG.

User-Generated Content

The Website may be configured to allow Users to publish user-generated content, in one or more PRSG Members-only sections, restricted PRSG community of practice areas that may be open to Members and non-Members, and other forums or messaging systems for Users or in a publicly-accessible section of the Website. User-generated content may include, but is not limited

to: posts, profiles, blogs, e-mail, files, photos, videos, or other material. The information provided in user-generated content is not guaranteed to be accurate and is no way endorsed, offered or guaranteed by PRSG.

You agree that access and use of the Website is expressly conditioned upon your agreement to accept sole responsibility for any user-generated content that You publish to the Website. You assume all risks associated with any such content, including the risk of third party reliance on its quality, accuracy, or reliability, or any disclosure by you of personally identifiable information. You represent that you own, or have the necessary permissions to use and authorize the use of any such content. You may not imply that any user-generated content published by yourself or another User is in any way sponsored or endorsed by PRSG.

Rights in and to any such personal user-generated content may be the property of the User that uploaded the content and/or to any third parties associated with the creation of such content, as the case may be. PRSG prohibits Users from publishing any content that infringes the intellectual property or proprietary rights of any third parties and PRSG shall not be held liable for the infringement or violation of any such third party rights resulting from the publishing of such user-generated content. It is solely the User's responsibility to verify that any content published to the Website is not subject to any third party rights (e.g., which may prohibit the copying, publishing, or distribution of the content being published). PRSG does not actively monitor user-generated content uploaded to or published to the Website. However, PRSG may remove or block access to any user-generated content for any reason, or take other action with respect to any such material at its sole discretion, although PRSG is under no obligation to do so.

You expressly agree that any user-generated content that you publish to the Website is not false, intentionally misleading, defamatory, abusive, vulgar, hateful, harassing, obscene, profane, sexually-oriented, threatening, invasive of a person's privacy, or otherwise in violation of any law. You further expressly agree that such content does not: violate any third-party right, including any copyright, trademark, patent, trade secret, moral right, confidentiality right, privacy right, right of publicity, or any other intellectual property or proprietary right; contain material that is unlawful, including illegal hate speech or

pornography; exploit or otherwise harm minors; or violate or advocate the violation of any U.S. or foreign law. You may expose yourself to liability by failing to abide by this requirement and PRSG shall bear no responsibility for any such user-generated content. Furthermore, Users that publish user-generated content which violates this provision or any other requirement of the TOS may be banned from the Website or have their access to the Website (or services provided the Website) restricted, without warning and at PRSG's sole discretion. In accordance with the U.S. Children's Online Privacy Protection Act of 1998 (COPPA), Users are not permitted to publish any user-generated content intended for children under the age of 13 without the express written permission of PRSG. Users are also not permitted to collect personal information from children under the age of 13. You expressly agree to act in accordance with these provisions when posting any user-generated content to the Website.

By publishing user-generated content to the Website, you expressly agree that PRSG may use such content, including but not limited to by publicly displaying it, reformatting it, incorporating it into advertisements and other works, creating derivative works from it, promoting it, and distributing it. As such, you hereby irrevocably grant PRSG a world-wide, non-exclusive, royalty-free, sub-licensable, transferable right to use such content for any purpose. You also irrevocably grant other Users of the Website the right to access such content in connection with their use of the Website. Finally, you irrevocably waive, and cause to be waived, against PRSG or any other party (including other Users), any claims and assertions of moral rights or attribution with respect to such content. The term "use" in this context is expressly understood to include the right to use, copy, publicly perform or display, distribute, modify, translate, and create derivative works based on such content.

In either case, PRSG, its agents, or any other parties involved in the preparation or publication of this Website shall not be responsible for the content of any linked website or any link contained in a

linked website, or any changes or updates to such websites, nor does PRSG endorse any such links or other related materials. It is the responsibility of Users to take precautions when accessing any linked websites or content hosted on third party websites.

- (e) contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware.

Users further agree not to: (a) impersonate any person or entity, including, but not limited to a PRSG official, forum administrator, or falsely state or otherwise misrepresent your affiliation with a person or entity; (b) to "stalk" or otherwise harass other registered Users of the Website; or (c) collect or store personal data about other Users.

Registered Users that violate any of the requirements of the TOS, or who upload, publish, post, e-mail, transmit or otherwise make available any content that is found to be objectionable, inflammatory, or abusive to other registered Users or PRSG staff may have their accounts limited, suspended or terminated by PRSG.
